**APPLICATION FOR  
COMPREHENSIVE PLAN AMENDMENT WITH REZONE**  
Fee: \$572.00

(In addition, any professional service charges per Ordinance #1285.)

A comprehensive plan amendment with rezone is a request to amend the map or text of the City Zoning Ordinance, which requires an amendment to the City's Comprehensive Plan. A change is usually made to provide for different land uses, but a request may also be made to change zoning standards or requirements. Before a rezone is granted, a staff report will be prepared. The Planning Commission will hold a public hearing and will present a recommendation to the City Council. The council will make the final decision.
